Dear Nazia,

Tried to call you this morning but not able to reach you, as per our tele-conversation last week for the outstanding payment follow-up. Kind request to please prioritize the same and give us an update when can we collect, as this has been long overdue and we have taken back all the balance items in your shop, as what we have discussed during the course of our meeting before.

Hoping for an immediate release of the outstanding payment.

Best regards,

Attached are three months Sale out which we need to release to Al Arqoob Trading LLC.

We will process the payment for the same and update you.

Be noted we have Consignment term agreed with Arqoob Trading , hence as per our records only sale out payment is outstanding.

Also as verified with your SOA the items delivered to our showroom. Pls verify the invoice and items delivered against INV-00094 as its not matching with your SOA shared (2nd page of this invoice is not considered in your SOA).

Rest Mr Ariel CC in this email will process your payment for NOV - Jan Sale out and update you.

Be noted as per our team you have revised prices for Baseus Dual Wireless Charger from 194.35 while revise price is 125 AED, hence Sale out costing is revise basing on this Price. So please share credit note for the difference to apply in our system.
